

Mobile reception is everywhere; there is every few telephone booth remaining. Convenience stands or stores still offer public phone service.

### **Regular Public Phone Rates**

**Local and domestic:** 0.5RMB/min.

### **International Calls**

When you make a phone call to Guilin from abroad, first dial China country code +86, then area code 773 (except for the first number 0), finally dial the phone number you need to call.

For example: calling Guilin phone 0773-1234567. Dial +773-1234567.

How to call overseas from Guilin

First dial the country code, then area code(except for the first number 0), finally dial the phone number you need to call.

For example: calling USA phone (0703)1234567. Dial +0017031234567.

### **Cell phone Sim Card**

China Mobile(most popular), China Union or China Telecom provide sim cards.

### Internet

Internet cafes can be found everywhere. Most cafes open 24/7, charge is about 2RMB/hour. Snacks and fast food is often served as well.
