

Beijing to Guilin high-speed rail has been run

Monday, 28 April 2014 21:42

The new high-speed train between Beijing and Guilin has been operated since on December 28, 2013. Trains G529 and G530 leave Beijing at 08:20 and arrive in Guilin almost 10 hours later at 18:18. The return journey departs Guilin at 12:00 and arrive at Beijing West Railway Station at 22:00.

Beijing to Guilin high-speed rail has been run

Monday, 28 April 2014 21:42

Guilin locals will be excited by this move as they can now visit the capital, and experience all it has to offer, with greater convenience.
