

The West Street in Yangshuo is well-known for its unique cultural ambience. It is also a nice shopping location for unique cultural stuffs. Big fans, really big to catch your eyes, Yangshuo Big Fans are great for decorations. The painted fan undergoes a series of processes including dyeing, mounting and painting with lacquer or water color paint before it is ready for retail.

You can always find the backdrops of the fans are depicting birds, bamboos, flowers, insects and traditional, beautiful Chinese girls. West Street is also a place to find quality minority costumes and handicrafts . These are great souvenirs to bring home. Items soled in west street are negotiable.
