

Shangri-La is a legendary story, a place where peach flower bloom all the year and a paradise for the people of China. The story is just a story. But in Guilin by the Guihua road from Guilin to Yangshuo, you can find a real Shangri-La, a beautiful place, which is more charming than the one described in the story. It is an area with mountains, caves, bridges, rivers, houses, and people who practise delightful local customs, a place that will give you everlasting memories. The happiness and the bitter mess of life can all be found at Shangri-La. It is a place full of Mother's love. Shangri-La also seems to be a beautiful charming girl who has grown up and came back to the home that she left when she was very young. See the legend come alive at Shangri-La.
